1) What made you begin to explore faith?

2) Who was the biggest influence on your coming to faith?

3) What one key difference has your faith made to your life?

In the light of Coronavirus (COVID-19)

Why not pop round to your neighbours, or those you know who are frail & alone and exchange phone numbers now just in case they become isolated at a later date? Simply ringing them up to see how they're doing, or offering to do shopping can make the world of difference. Let us show Christ's love for our neighbours at this time, in practical ways as well as praying for them.

Please use sanitiser/ wash your hands on entering church.

Thanks Veronica

LM Trimmathon

Thank you to all those who came to support the Trimmathon, especially Liz, Keith and Chris for their hard work. We had a good day of fellowship and raised £55 for the Hospital Heroes appeal. If anyone was unable to come and would like to contribute to the appeal, please let me know. V Welham

Collect Lent 3

Almighty God,

whose most dear Son went not up to joy but first he suffered pain,
and entered not into glory before he was crucified:
mercifully grant that we, walking in the way of the cross,
may find it none other than the way of life and peace;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.
